

REMARKS

This amendment responds to the office action of September 7, 2004. Section headings are added to the specification, new claims are presented in proper numerical order and a new abstract is added. There is an abstract in the translation of the application but there was no abstract in the specification as filed.

Applicants believe the application is now in proper form for substantive examination.

Respectfully submitted,

Thomas R. FitzGerald
Reg. No. 26,730
